CODE OF ETHICS

Article 6-

- To follow through and complete any agreement made verbally or otherwise.
- To conclude a transaction in a competent and professional manner.
- To honor an offer that has been accepted as expeditiously as possible.
- To fully disclose all limitations on the authority of an employee or agent.
- To refrain from disparaging others by statement or innuendo.
- To respond to any complaint alleging violation of the Code and participate in all proceedings prescribed by the ASCDI Board of Directors.

SINCE 2002

IAITAM.org | ACE 2023 | Nashville TN

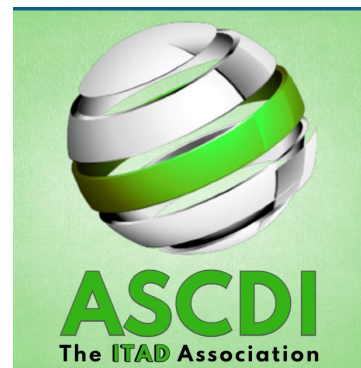

Choosing a certified ITAD is rewarding.

Best Practices

- Recycle what can be, destroy what can't be.
- It's tempting to go for the money.
- Shredding is not socially responsible when you have a choice.
